Professional Level Coaching

Why Midwest Soccer Academy?

Midwest Soccer Academy has been coaching the youth of America for the past 35 years. MSA coaches work with children from 4 – 18 years old and are hired from all over EUROPE because of their coaching expertise, personality and the energy they bring to camp. MSA's age appropriate, innovative curriculum focuses on the technical aspects of the sport at the younger ages (through fun games), while at the same time challenging each child every single day. As the players get older the curriculum introduces more tactical aspects of the game.

What to bring:

- Soccer Ball
- Water, drinks and snacks
- Sunscreen
- A Smile!!!!

The MSA Difference

MSA hand picks coaches from across Europe to deliver our unique camp curriculum. Our innovative "Dutch Touch" coaching method provides each and every player with a unique developmental soccer experience.

Host a coach:

Make the camp experience even more fulfilling for your child by hosting one of MSA's professional coaches. Hosting a coach provides a truly unique and memorable experience the families will never forget. Learning about international cultures of the coaches and their passion for the sport of soccer provides you with memories that last a lifetime. In return for housing the coach for the week, MSA will provide your family with a FREE SCHOLARSHIP TO DAY CAMP (monies to be reimbursed the week after camp has finished). Be sure to check the "Host a Coach" box on the application.
